It has been a while since you heard from us, and we appreciate your prayers for us, our family, and our ministry. We also want to welcome those of you who are getting this newsletter for the first time. We have been very busy in these past few months and want to bring you up to date as we enter into a new year. We promise to send out newsletters more often in 2009 so they won't be as long as this one, if you promise to read this one all the way through.

Howard traveled to England for six weeks of ministry beginning in July. He had excellent meetings with many of the messages focused on being disciples of the Kingdom of God and being delivered from the Spirit of Religion. The Lord continues to clarify the profound significance of understanding all that it means to be a **"True Disciple"** of the Kingdom with its privileges and responsibilities. This includes understanding how the Spirit of Religion operates, how insidious and pervasive it is, and how we are all affected by it. Exposing and defeating that spirit is a great battle, but we are seeing much fruit born in those who are getting free.

## *"From Holocaust to Living Hope"*

At the end of the UK tour, Janet joined me to host our annual **"From Holocaust to Living Hope" Prophetic Journey of Redemption** tour of Holocaust memorial sites in Poland, culminating with a communion service at the infamous "Selection Point" at the Auschwitz II/Birkenau death camp. For those of you who do not know about these journeys, they are truly amazing times that are difficult to put into words. These are not like typical mission trips or other kinds of ministry opportunities, because they touch something in the realm of the spirit that is part of God's end-time prophetic purposes.

This year was even more profound because we were joined by **Pastor Werner Oder**, whose father was second in command of the SS "Einsatzgruppen" (mobile killing squads) training school in Rabka, Poland. These were the SS troops directly responsible for murdering over 1 million Jewish men, women and children. Through a series of marvelous divine appointments we met Pastor Werner, heard his amazing testimony of salvation and deliverance from the demonic strongholds of his Austrian family's history and his call to stand with the Jewish people against their enemies.

Together we led the **"Communion at the Selection Point"** service. As part of that time of prayer and repentance, he and his wife Avril washed our feet as they wept over the sins of his family and over all those responsible for the Holocaust. It

was, for Janet and I a moment that defies description. As if that was not enough, as we stood together in prayer, Pastor Werner held over our heads a cross he had fashioned out of pieces of barbed wire from the camp fence. This cross symbolizes at once both the horrors of the Holocaust and the only thing in the world that can redeem us, the cross where the Jewish Messiah Himself died to bring redemption to all mankind. As we stood together at this place of evil and death, this *Austrian son of a mass murderer and a Jewish believer in Jesus, with the barbed wire cross held over our heads, we were a living symbol of what that cross has accomplished and will yet accomplish; true forgiveness and redemption, the One New Man.* As we together held this cross over our heads, people began to point to the sky above us. There, directly over-

head, **a cross formed in the sky.** It looked like it could have been formed by two planes leaving an exhaust trail, but there were no planes in sight, and it only appeared when we were holding that barbed wire cross and praying for God's redemptive purposes to be completed!

Beloved friends, it is impossible for us to put into words what that experience was like and what God is doing through this ministry in Poland. We pray that the Holy Spirit will reveal to you what your place with us should be. We will be putting many other pictures of last summer's trip on the website. **Please also pray and ask the Lord if He wants you to join us next August** as we once again undertake this Prophetic Journey of Redemption.

## *“On The Road Again”*

After nearly 3 months away, we returned home for 5 days and then began a month long ministry trip to New York City. Our first stop was **Charlotte**, to teach a ten hour seminar to 3<sup>rd</sup> year students at the FIRE School of Ministry on **“Defeating the Spirit of Religion.”** That seminar was videoed and is available from our ministry on DVD. From there we drove to **Jersey City, NJ, New York City, Washington DC, Raleigh and Charlotte, NC.** At each meeting the Holy Spirit met us and encouraged the Body of Christ to press on to maturity as disciples of the Kingdom of God. We are so grateful to the Lord for all of the favor He showed us, as we travelled 2,000 miles without incident and had many blessed opportunities to serve His purposes with leaders and individuals who are following their call to service for the King!

We flew north to **Minneapolis** where we were actively engaged in ministering to leaders, worship teams, and congregations. The Lord is doing wonderful things at the Seed of Abraham Messianic Congregation and A Glorious Church in Monticello. It was a very rewarding time as we saw immediate results to the counsel we gave that helped bring insight and order to the situations we were asked to speak into.

I have received two invitations to minister in **China** this spring. We have had China on our hearts for a long time and both of these invitations will connect us with major leaders of the underground Church. They have a deep desire to learn about the Jewish Roots of their faith and their Biblical relationship and responsibility to the Jewish people. This could be a significant opportunity to impact the entire underground Church in China which has tens of millions of believers. **Would you pray about investing in this ministry? We need your financial support to make this trip happen.**

## *Our Website*

Please pray for our new website and **Steve and Tracy Berman** who are voluntarily working to create it. This new site will have all of our teachings in mp3 format available for download, as well as online audio and video streaming. Also pray for **Rachel Wellman**. She has done a phenomenal job updating the online Catalogue and is also maintaining the current website. Have you had a chance to look at our **updated Catalogue** on the website: [www.HMMin.com](http://www.HMMin.com). Everything is now available in CD format. [Also new – you can now make donations to our ministry from the website. Just go to the bottom of the home page.](#)

## *“Panim El Panim” ~ April 17-19, 2009*

Our annual *“gathering of the tribe”* - **“Panim El Panim” (Face to Face)** will once again take place at the Simpsonwood Conference Center near Atlanta, Georgia. This year will be our eighth anniversary. Eight is the number of new beginnings and we are looking forward to the new things the Lord will do this year. These are unique prophetic gatherings, where we endeavor to give the Holy Spirit freedom in worship and ministry. The vision for these gatherings is for everyone to be able to meet **“Face to Face”** with the Lord **and** with each other. We seek to flow in the anointing and let the Lord direct everything. We also eat all of our meals together as a way of facilitating the creation of new relationships and strengthening existing ones. This year there are new ways of making your **reservations for your accommodations** with Simpsonwood or the Marriott. Please watch your email for the Panim brochure in the near future. **Don’t forget Panim Registration must be done with our office. Space Is Limited! Register early! Call 770-734-0044 or email [Janet@HMMin.com](mailto:Janet@HMMin.com) with any questions.**

## *“Embracing Change”*

Embracing change and allowing the Holy Spirit to do **new things** in **new ways** with **new people** is a similar theme we see unfolding in all of the churches and ministries that we are working with. Many people were disappointed and even discouraged with the results of the presidential election. But this is a natural indicator of **the time of change** that is taking place in the realm of the spirit. We must be praying for the **new president** and for all those he chooses to be his advisors. He will certainly face great challenges. I believe we will see many such changes in political leadership around the world. There will be new elections in Israel and there are rumors about the leadership in North Korea.

I also see leaders in the Body of Christ who are resistant to change being replaced by **new leaders** who are emerging with a passion for discipling people to **fulfill their destiny**. I have been in discussion with various leaders and all have the same sense that this is a **season of transition**. This is very exciting for all who have a heart for the Kingdom of God to expand in the earth. With transition comes many **new challenges**. So we must be very careful whom we listen to, as we

will all face those new and exciting challenges in the days ahead. We will all have magnificent opportunities to see the Lord do extraordinary things as we seek, **and this is the Key**, to do **His will, His way**, for the fulfillment of **His purposes**. This is certainly not the time to be thinking about yourself and what makes you happy or comfortable. This is the time to be thinking and praying about how your life and ministry can be more and more fruitful for the Kingdom of God.

I also believe that God is going to use the current economic climate to bring many people to Himself. It is during times like this that people are shaken and begin to ask questions that they normally do not even think about. In recent conversations with unsaved business people, I found new openness to talk about spiritual things. They were even expressing an intuitive sense that God was not happy with our nation, and was “pulling the rug out from underneath everyone.” You even read in some secular magazines and internet sites articles and discussions of a spiritual nature. God is certainly not being left out of the picture. Our prayer is that the Lord will use this time to sweep many people into the Kingdom of God. We also pray that you will have the grace of God poured into your life that will enable and empower you to participate with the Holy Spirit in whatever new directions He may be leading you. This is the season to launch out in new directions, to take on new responsibilities and start new ministries or expand your present ministry. Remember that God always provides for **His purposes** when done **His way** and in **His time**.

### **OUR GIRLS**

**Tiffany** is now living in London, working for “A Call to Business,” a marketplace ministry founded by our friend Paul Szkiler. You can learn more about this ministry at: [www.acalltobusiness.co.uk](http://www.acalltobusiness.co.uk). **Melanie** continues to work as a stage manager on and off Broadway. She is involved with a developing project to bring a musical written by spirit filled believers from Australia to the Broadway stage. It is called “Angels” and is about spiritual warfare and personal destiny. **Briana** continues her studies toward a PhD in Political Science at Georgetown University in Washington, DC. She writes political blogs on the Huffington Post and was chosen to make a presentation at a National Political Science Conference in Chicago. On a personal note, Janet and I ask you to join us in prayer for the Lord to send mature, Godly husbands for our daughters.

*Thank You For Your Support!!*

As most of you are planning your “end of the year giving”, we humbly ask you to consider making a gift to Howard Morgan Ministries. Our ministry in the nations is very costly but we know the Lord wants us to continue it. All of these trips are supported by your gifts that are invested in the work we are doing and the ministry is bearing fruit in the lives we touch. We know that funds invested in Kingdom ministry will always return blessings – sometimes in very surprising ways. So in this season where worldly wisdom would dictate lesser giving, we encourage you to trust the economy of heaven and sow generously as the Holy Spirit leads you. We know you will be greatly blessed and this is certainly our heart for you. To donate on line, [click here](#).

**Thank you so much for standing with us in prayer and for partnering with us financially. We are so grateful for your support.**

Because most of us are busy with all the holiday preparations at this time, we especially thank you for taking time to remember us in your prayers as together we celebrate God's greatest and eternal gift to all humanity: Jesus, our wonderful Lord and Messiah.

We are currently filling in our 2009 calendar, so if your Church or Congregation would like us to come and minister, please contact us as soon as possible. Call or email [Janet@HMMin.com](mailto:Janet@HMMin.com)
